

For Immediate Release

Media Note: Dr. Greer will be available for interviews from now until the presentation and also after the presentation. A media package can be found at: <http://www.DisclosureProject.org/media/presskit.htm>

ANNOUNCEMENT

DR. STEVEN GREER AND THE DISCLOSURE PROJECT

DENVER PRESENTATION
WEDNESDAY JULY 9, 2008
7:30 PM – Auraria Campus, Denver

Steven M. Greer MD, the founder and director of The Disclosure Project (www.DisclosureProject.org) will be in Denver CO on July 9, 2008 at Turnhalle in the Tivoli.

Dr. Greer will be presenting a summary of over 500 government, military, intelligence and corporate witnesses to UFO events and projects and will be discussing the implications of the issue. Dr. Greer, who has personally briefed heads of state, members of Congress, a sitting CIA Director and other senior government officials on the UFO matter will provide an overview of the subject and expose the reasons behind the continuing secrecy.

Key to this secrecy is the existence of Unacknowledged Special Access Projects (USAPs) that operate outside of Presidential and Congressional oversight and that are beholden to special interests in the corporate, financial and energy sectors.

The energy and propulsion systems used by so-called UFOs (or extraterrestrial vehicles) has been studied for over 60 years using taxpayer funds and the disclosure of this vital information would completely replace the need for oil, gas, coal and nuclear power.

Dr. Greer states that “In light of the growing energy and environmental crisis, it is imperative that the people of the United States know the truth and work to see that full Disclosure occurs as soon as possible. The mistake of classifying as top secret this information in the 1940s and 1950s has now resulted in a genuine world emergency that requires the thoughtful attention of every concerned citizen.”
Mr. Jeff Peckman, who is heading up the Extraterrestrial Affairs Commission Denver ballot initiative, will also be present and make a brief presentation on that project.

The presentation is open to the media and public.

A nominal admission fee of \$5.00 will be collected to cover expenses.

Location: Metro State College
Turnhalle in the Tivoli
Tivoli Student Union Building
900 Auraria Parkway
Denver CO 80204-1852
Phone: 303- 556-6330; Events Center 303-556-2755
